Adding a few shelves or spice racks to your wall is a great way to save cabinet space while making your things available. Here are some tips on how to free up wall space in your kitchen. Decorated with kitchen facilities. Open kitchen shelves provide plenty of storage opportunities, while also allowing you to decorate your kitchen. Collect a few herbal pots, add a cup hanger and put a elegantly designed tea box on your wall shelf and you will double the comfort and style. Show off your cookware Do you have a kitchen utensil that looks particularly good? Why don't you keep it in the open! A great way to show your cookware is to add shelves that are like your kitchen wall. Fill the set completely with the S hook, and you can hang your most stylish pots and pans in full view. - Make them a practical part of your kitchen design. Keep your spices useful All kitchens require fully equipped spice shelves. With a wall-mounted spice rack, you have a complete overview of all your stock, making it easy to make a second decision while cooking. In addition, kitchen shelves add a dynamic color gamus to your kitchen, ranging from the crimson of powdered paprika to the bright yellow color of the aromatic curry blend.
